New England Green School Resources

- <http://home.psouth.net/~meep/index.htm> Maine Energy Education Program; activities, New England energy/environment information
- <http://www.nesea.org/k-12/greenschoolshealthyschools/> Northeast Sustainable Energy Association
- http://www.masstech.org/IS/green_schools.htm Massachusetts Technology Collaborative-Renewable Energy Trust
- <http://www.greencampus.harvard.edu/> Harvard University Office for Sustainability
- http://www.umassgreeninfo.org/programs/green_school.html UMass Extension Green School
- http://www.mdibl.org/facilities/green_building/index.shtml Mount Desert Island Biological Laboratory Green Building Initiative

Green Schools (Other State's Resources)

- <http://www.green-technology.org/gcschools/> Green California Schools Summit
- <http://www.oregongreenschools.org/> Oregon Green Schools
- <http://michigangreenschools.org/> Official Michigan Green School
- <http://www.epa.state.il.us/p2/green-schools/> Illinois Environmental Protection Agency
- <http://www.maeoe.org/greenschools/> The Maryland Association for Environmental and Outdoor Education
- <http://www.dnr.state.wi.us/org/caer/ce/greenschools/> Wisconsin Department of Natural Resources
- <http://www.michigan-green.org/> Partners Green

Funding Resources for Green Schools

- <http://www.thegbi.org/> Green Building Initiative; potential funding sources
- <http://www.epa.gov/greenbuilding/tools/funding.htm> Environmental Protection Agency; teacher resources, funding opportunities
- <http://www.fundinggreenbuildings.com/> Funding Green Buildings
- <http://www.ncef.org/school-modernization/> National Clearinghouse for Educational Facilities
- <http://www.greenflagschools.org/Fundraising.htm> Funding Resources for Green Flag Schools
- <http://www.eeweek.org/resources/funding.htm> National Environmental Education Week
- http://www.dosomething.org/increase_your_green Do Something
- <http://www.greenschoolstore.com/> Green School Store

Water Quality

- <http://www.worldchanging.com/archives/004494.html>
- <http://www.agu.org/pubs/crossref/2009/2007WR006767.shtml>
- <http://green-changemakers.blogspot.com/2009/03/scientific-facts-on-water-resources.html>
- <http://www.ouc.com/green/water.htm>

Climate Change

- <http://www.wri.org/climate>
- <http://eo.ucar.edu/> National Center for Atmospheric Research; climate change timeline, teacher resources, networking opportunities
- <http://www.inecc.net/> Indian Network on Ethics and Climate Change; alternative energy solutions, global perspective on energy change

Recycling/Reuse

- http://www.afandpa.org/Content/NavigationMenu/Wood_Products/Green_Building/The_Green_Building_Initiative/The_Green_Building_Initiative.htm American Forest and Paper Association- Green Building Initiative; Recycling
- <http://www.greenusesforwaste.co.uk/> Green Uses For Waste; definitions, project ideas

Healthy Food

- <http://www.brightergreen.org/n.php?id=27> Brighter Green: climate change and food choice resources
- http://www.ehow.com/how_2258182_make-healthy-choices-school-cafeteria.html Healthy choices in a school cafeteria
- <http://www.healthyschoolscampaign.org> Healthy Schools Campaign

Supplies

- <http://www.care2.com/greenliving/best-cool-green-school-supplies.html>
- <http://www.pa-greenbuildingproducts.org/> Green Building Product Initiative
- http://www.afandpa.org/Content/NavigationMenu/Wood_Products/Green_Building/The_Green_Building_Initiative/The_Green_Building_Initiative.htm American Forest and Paper Association- Green Building Initiative
- http://www.greenbuildingpages.com/links/weblinks_fund.html Green Building Pages
- <http://www.great-greenhouses.com/> Great Greenhouses; greenhouse options, information on instillation, project ideas

Cleaning/Chemicals for Healthy Schools

- <http://www.cleaningforhealthyschools.org/> Cleaning for Healthy Schools
- <http://www.cleanlink.com/cp/article.asp?id=5409&keywords=green,%20healthy%20schools%20campaign,%20window%20cleaning> Clean Link; informational articles on products
- <http://www.facilitiesnet.com/green/article/Healthy-Schools-Campaign-Releases-Green-Cleaning-Guide--5487> Green Cleaning Guide
- <http://www.greenschoolsalliance.org/greentools/RCoandm/greenclean.html> The Green School Alliance- Green Cleaning; building maintenance, cleaning products, policy resources
- <http://www.greencleanschools.org/> Green Clean Schools

Energy Efficiency

- <http://www.myhealthyschool.com/ecoeducation/solarforschools.php> teacher resources, publications, climate information
- <http://ase.org/section/program/greenschl> Alliance To Save Energy
- <http://www.alternative-energy-news.info/technology/future-energy/> Alternative Energy
- <http://energysavers.gov/> U.S. Department of Energy; sustainable alternatives, definitions, project ideas
- <http://www.eia.doe.gov/> Energy Information Administration; definitions, sustainable alternatives, historical data
- <http://www.need.org/> National Energy Education Development Project; professional development opportunities, project ideas, community partners
- <http://www.solarenergy.org/> Solar Energy International; design, instillation, and maintenance of solar energy systems
- <http://www.makeitsolar.com/> Make It Solar; project ideas, teacher resources, student tools
- <http://www.energynet.net/> Energy Net; teacher and student resources, tools for energy testing
- <http://www.makeyourhomeenergyefficient.com/> Make Your Home Energy Efficient; project ideas, tools
- <http://www.managenergy.net/> The European Commission Directorate-General for Energy and Transport ManagEnergy Initiative; global resource, legislation, project ideas, networking opportunities

Air Quality

- http://www.asthmaregionalcouncil.org/about/focus_schools.html The New England Asthma Regional Council Focus-Schools; teacher resources, potential partners
- <http://www.baaqmd.gov/> Bay Area Air Quality Management District; resources for testing, project ideas

For Students...

- <http://www.alliantenergykids.com/index.htm> Alliant Energy Kids; project ideas, games, lesson plans
- <http://www.consumersenergy.com/kids/> Consumers Energy: games, fun facts, teacher resources
- <http://www.eere.energy.gov/kids/> Kids Saving Energy: games, home energy, renewable energy systems
- <http://www.energyquest.ca.gov/> Energy Quest; games, definitions, teacher resources
- <http://www.tvakids.com/> Tennessee Valley Authority Kids; information on environmental protection and alternative energy sources
- <http://www.energyhog.org/childrens.htm> Energy Hog; games, home energy efficiency, project ideas, information about energy conservation
